FOREWORD

Every year the editor of the yearbook is called upon to write a foreword revealing her hopes and good wishes for her fellow classmates of the graduating class. Initially, this sounds like a fairly easy task. Yet, how does one write such a statement without becoming over-emotional about her high school years? It isn't easy.

When you think of high school, does it seem to have been four years of carefree fun, with only an occasional low point of tests or failing grades? Or, on the other hand, do you see it as a period of growing and learning in which you came to see life as it is? I hope it was an experience more like the second. But, does it really matter what I think? I guess I'm only fooling myself if I think it does. What really matters is what you got out of it yourself. Like, what did you get out of the national election? Were you more worried about who had the prettiest buttons or about what the buttons said? Remember when a dissenting group of students wanted to boycott Maine? Did you go along with them because you just wanted to see some action around here or because you really felt that there was something to complain about?

There are a lot more questions just like these that could be asked, but would they make the point any clearer? Probably not. All that really needs to be said is if you don't like your own answers to the questions, you have a whole lifetime to do something about it. Maine West has been only the beginning.

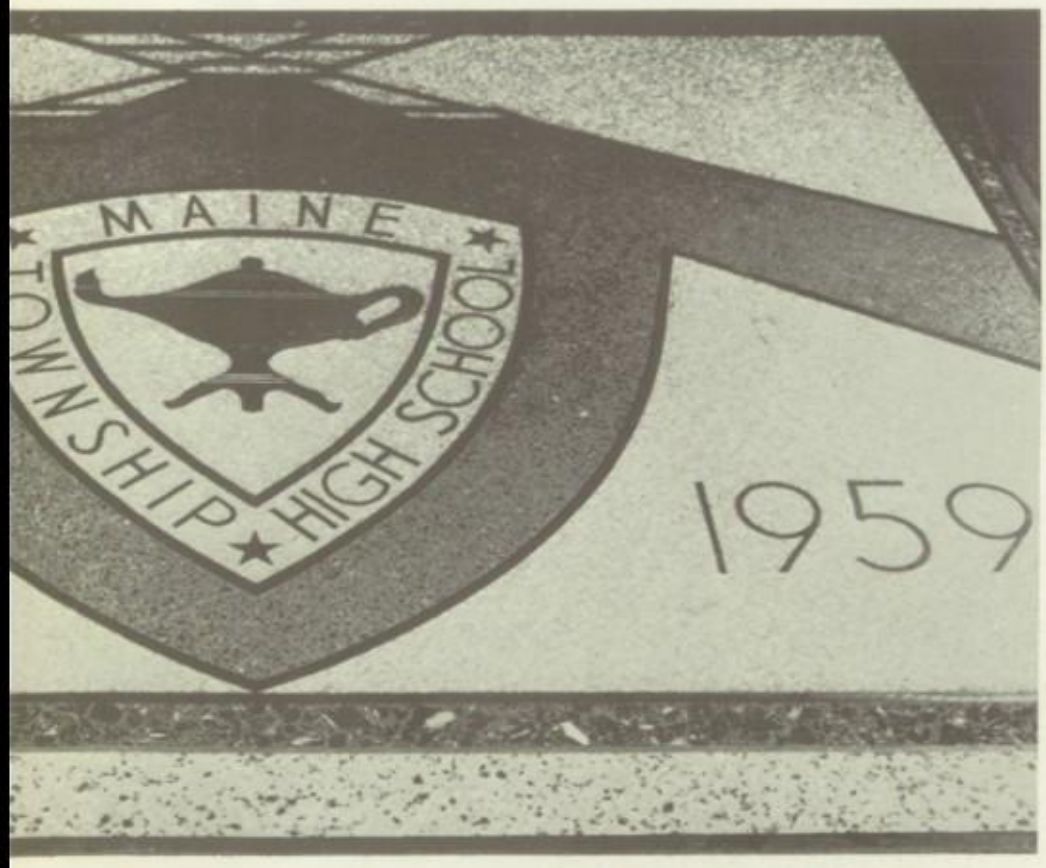
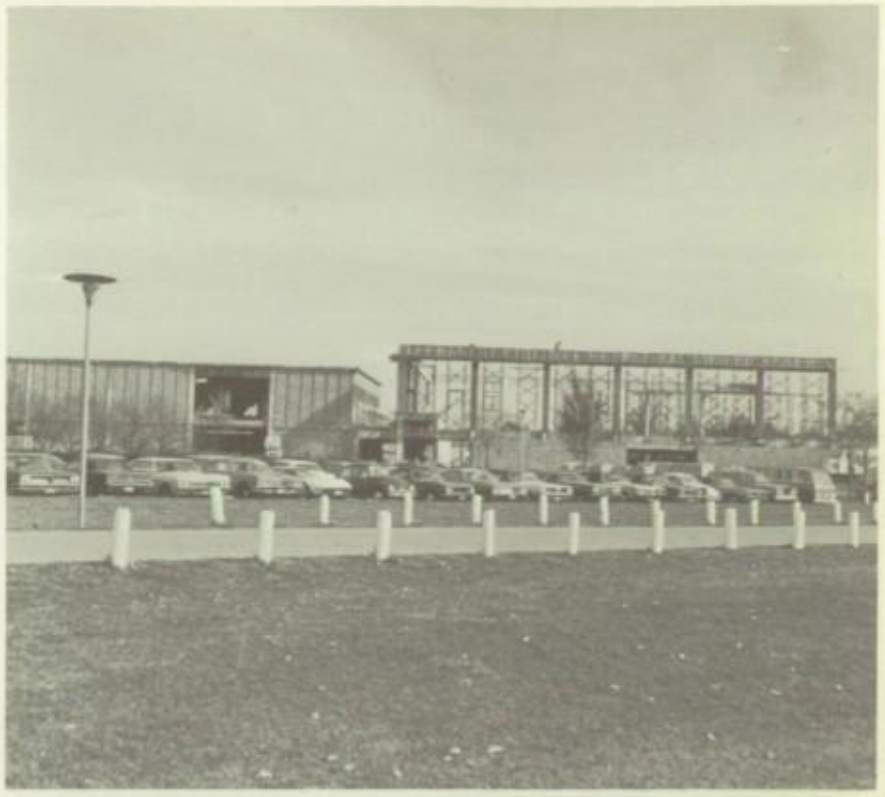
Editor-in-Chief



Maine traditions, the seal represents each student's pride in his school.



At last the seniors graduate at home.

The spirit of Maine West is reflected in the activities and in the attitudes of the student body.

The search for knowledge goes on.

Many students make up Maine West.

Another day ends at Maine West.

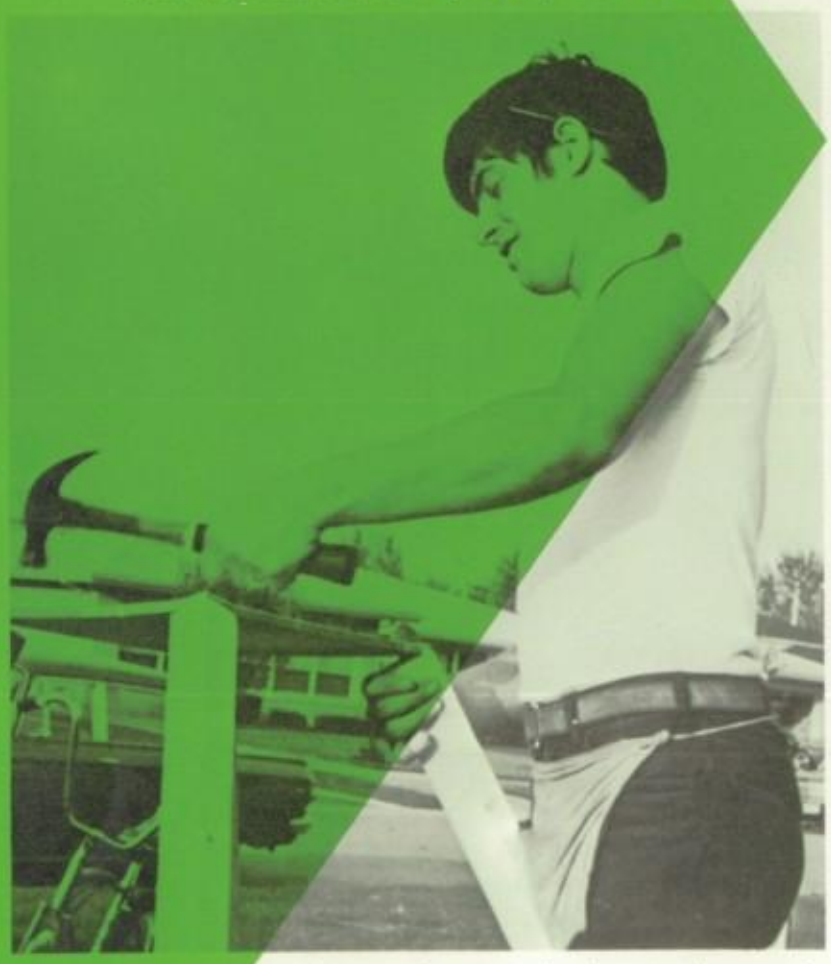
Time between classes is short, a constant rush.

Lunch serves as a time for relaxation.

Assemblies further student knowledge.

The Spirit of Maine West is an inspiration to all.

Even the teachers have to get away from it all.



Hammering away at homework isn't all that is hammered at Maine.

Homecoming is one of the year's highlights.

Victory makes previous hardships worthwhile.

Competition is always stimulating.

Clubs and organizations promote membership through exhibits.

District Administration Plans for Maine's Future

Knowledge and technology have more than doubled during the past ten years! Today, students find there is more to read, study, and learn. Ultimately they come face to face with the fact that our contemporary society necessitates considerable education and training, and that COMPETITION is in every walk of life!

Parents' confidence in the school to which they send their young people is significantly related to the manner in which that school system has met its past obligations and its obligations for the future.

For years, the Maine high schools have taken great pride in the educational objectives and principles which have permeated the Maine system since 1902.

The faculties of the three high schools firmly believe—

... in the optimum development of every student.
... in the secondary education of a superior quality.
... in the maintenance of high standards for all classes.
... in the development of an educational climate which provides stimulation experiences for all high school youth.
... in the necessity for preparing students to take their places as discerning citizens in a complex world.

Curriculum evaluation and development in the Maine Township High Schools have received national recognition and acclaim. Innovativeness has traditionally been part of the Maine way and will continue to challenge students and staff alike.

As the demand for excellence in education grows, far-sighted students will presently and ultimately realize the advantages offered them while they have been a part of the Maine system. They will look upon their years at Maine as a golden opportunity to have learned new skills, explored new cultural interests, and best of all, gained educational know-how from a widely diversified academic program.

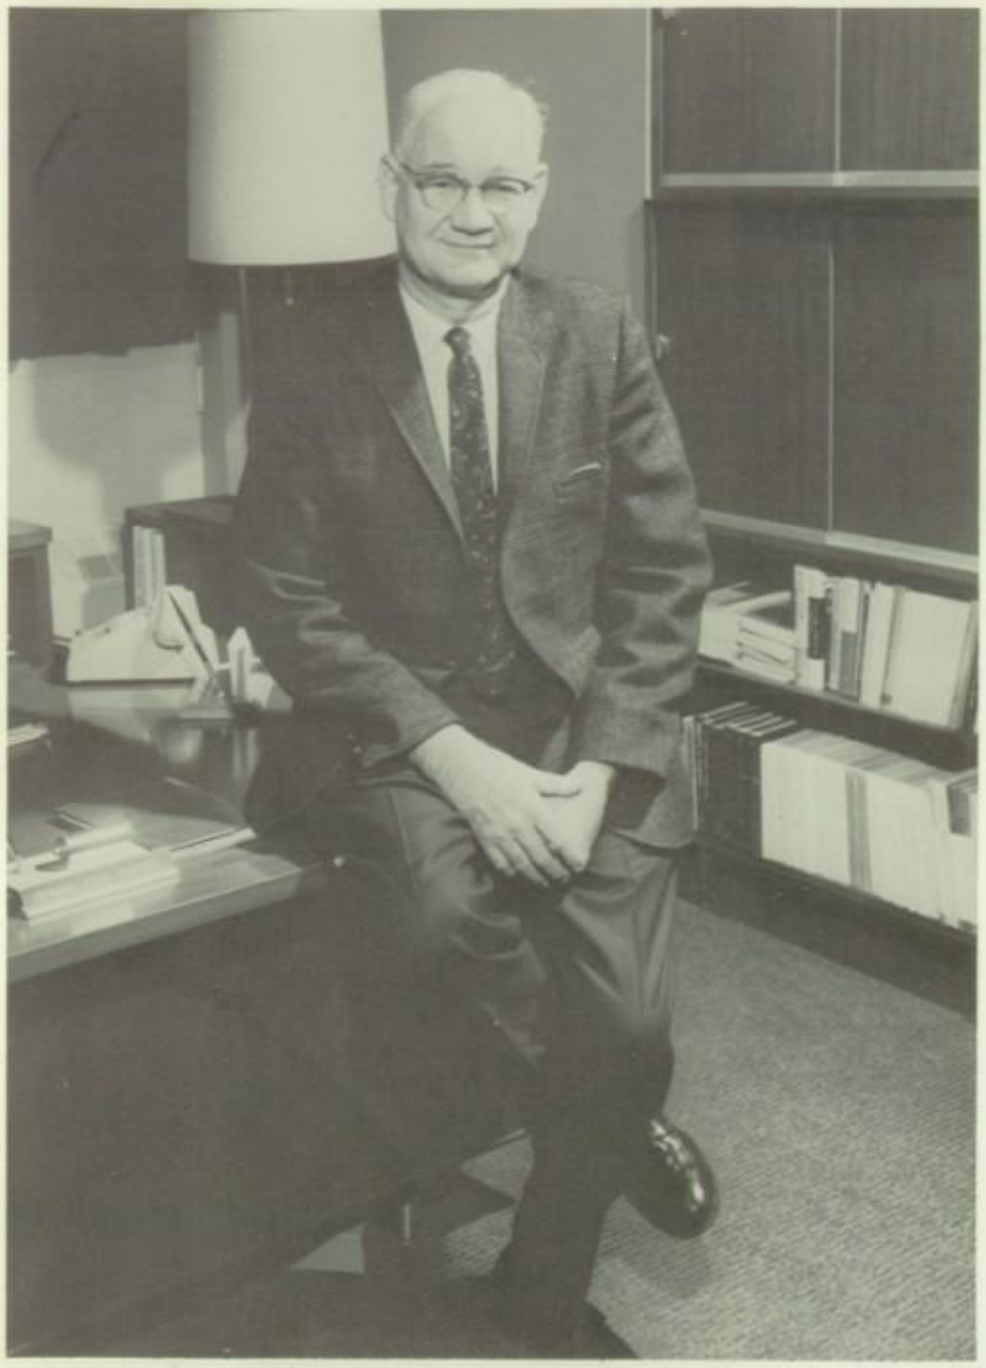
Officials Strive For West



Principal Herman L. Rider leads the way.

I welcome the opportunity to express my appreciation to the students and staff for helping make this a successful year.

The success of a large comprehensive high school such as Maine West in these trying times depends upon the desire and efforts of the students, the devotion of the faculty and other staff members, and the interest and backing of the parents.

Education and experience come not alone from the classroom and books. Experiences with fellow students and staff members help to develop tolerance, independence, and respect for all. Education challenges the student not only to do his best academically but to consider, determine, and evaluate his own beliefs and values.

Inherent in any school is the personal role played by the teacher and student, both in class and out. An interested student and an interested teacher in a ratio of one to one is the prerequisite to all learning.

Each student, as he leaves Maine West, should be prepared for the discipline of hard work, the exercise of freedom, and the responsibilities in his own life, whether it be in further study or in the world of work. If this preparation is lacking, then the student has failed himself, Maine West, and all those to whom he might have given his talents more fully throughout the unfolding of his adult life.

Seniors, as you leave Maine West, may I remind you that all learning is your responsibility and yours alone.

Good luck!

Maine Gives Many Special Services

Maine West offers a large variety of special services to not only the students, but also the whole community. The adults of the community can further their education in the Adult Evening School. The nurses help ill students every day. The Reading Clinic improves the students' reading by various methods. The Speech and Adjusted Programs help in corrective ways. The substitute helps the students when their teachers are absent. As one can clearly see, the special services at Maine West help to make it the good school that it is.

Efficient Library Helps Learning

Before, after, and during school, one can always find the Maine West library full of activity. The library has many types of books, ranging from an informative book on sewing doll clothes to Chaucer's bawdy **Canterbury Tales.** It has not only many excellent books, but also magazines, records, and filmstrips. Different classes are sometimes conducted in the library. Students assist the librarians and library secretaries during student free periods. One can see the librarians either helping students with their homework or keeping order by various means or helping some student find their lost contact lenses. Students use the library for various reasons. Some students work busily on their term papers there. Others are using the filmstrips for an oral report. Still other students who have nothing to do accidentally stumble over some sort of knowledge. All in all, the library is only one interesting part of a student's career at Maine West.

Art Fosters Creativity

It is wise for a well-rounded student to expand his efforts to creative pursuits. The Art Department offers a large variety of courses to meet the needs of all students who are interested in this field. Art is an effective way for the student to express his various moods and feelings because not only the student, but also the whole community, is benefited by the results.

One of the greatest problems at Maine West and in the entire world today is communications. The English Department offers courses which will help develop the skills necessary for communication. Through literature, class discussions, oral presentations, and written themes, the students learn how to develop and express their ideas clearly and effectively. The courses also present basic grammar rules, stimulate an interest in literature, and encourage creativity.

Driver Education Today Prepares Good Drivers of Tomorrow

Driving a car for the first time can be an experience which ranges from terrifying to completely normal and safe. The Driver Education Department is capable of helping all students become mature, sensible drivers. The program starts with the required Safety Education in the sophomore year which gives the student basic knowledge of the car and good driving habits. After completing this course students are now required by law to take Driver Education in order to get a license. In this course the student learns through actual driving experience while under the direction of a qualified instructor.

Language Study Broadens Understanding

Students at Maine West can take four years of German, French, Spanish, or Russian. These courses provide a background in grammar, vocabulary, and literature and stress the development of effective communication in both speech and writing. The students can also learn about the customs and traditions of the foreign country whose language they are studying. This knowledge can broaden their understanding and appreciation of the world.

Music Offers Opportunities to Perform, Study

The Music Department offers courses for students interested in all phases of music—composing, singing, playing, or studying. The students gain an opportunity to express themselves and to appreciate this important art form. Beginners can learn the basics in Beginning Band and Orchestra, Girls' and Boys' choruses, and music appreciation courses. More advanced students can participate in the Concert Band, Orchestra, and choral organizations. The Show Band, combos, Choraliers, and String Quartet offer further opportunities for performances to the most interested and talented students.

Boys' Physical Education Encourages Fitness

The main goals of the Boys' Physical Education Department is to encourage sportsmanship and to develop athletic skills. The boys are given two physical fitness tests each year. The boys who score over 500 points are eligible to become members of the "500 Club." A large variety of intramural sports programs are also offered.

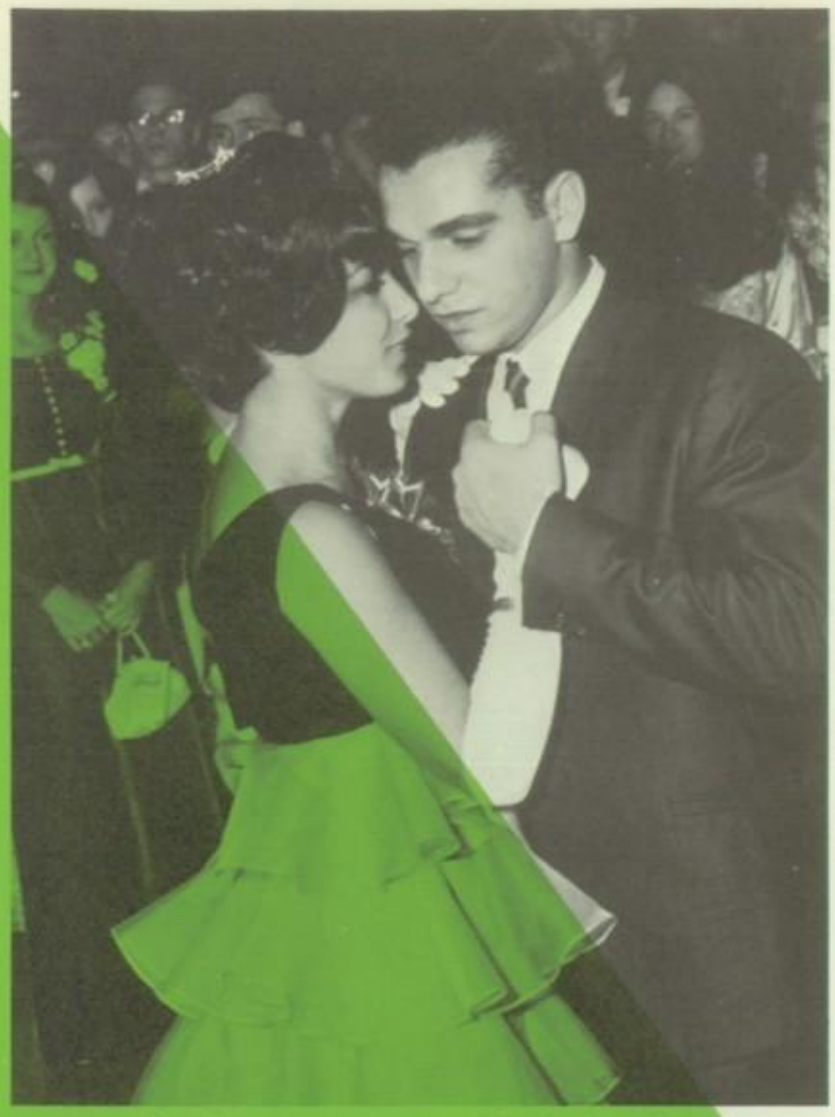
Social Science Stimulates Interest in the World Around Us

Because of the great advances in communications that there are in the world, it is now necessary that we know something about the world around us and why it is the way that it is. The Social Science Department strives to inform the students about the changing world situation and encourages the students to become more responsible and intelligent adults—to appreciate the democratic principles and the freedoms that they may otherwise take for granted.



Socializing is a major part of high school life.

Councils Plan, Coordinate

Student Council meets daily to conduct the business of Maine's student government. The members, who are elected by the entire student body, plan and organize school activities and obtain services for the students. Projects range from planning Homecoming Week and the all-school Variety Show and publishing the **Dial Tone** to obtaining plastic straws for the cafeteria.

Many Students Sing,

Maine students can gain knowledge of music and experience in performing by joining one of the school's many vocal groups. Anyone who has an interest in music or just a desire to sing can join the beginning Girls' and Boys' Choruses, where he can learn fundamentals of music theory and become accustomed to singing in two and three-part harmony. After this experience, students can continue in one of the concert groups—the Girls' Glee or the Concert Choir. The girls in the Glee Club sing more complex music and use more complicated singing techniques. The Choir, a mixed group, is the most advanced chorus at Maine West. Both groups perform regularly in the Christmas and Spring Concerts and at other school functions.

Concert Band
Music for

Students who have superior musical ability and experience are chosen for the Concert Band. They then receive the opportunity to participate in many school functions. The band adds color and excitement to football games with halftime marching routines, plays at all home basketball games, appears at school assemblies, accompanies the annual V-Show, and performs in the Music Department concerts. Despite its busy schedule, the band manages to maintain high standards of excellence and efficiency.

Provides Spirited School Functions

Beginning Bands Musical

Any student interested in learning to play an instrument can join the Beginning Band to have the opportunity to learn basic musical skills and become accustomed to playing with other band instruments. After gaining experience, they can advance to the Intermediate Band. Freshmen who already have some knowledge of an instrument can also enroll in this intermediate group.

Practice Skills

Band students with a still more advanced degree of skill become members of the Cadet Band. Practice in playing the instruments and the study of music continue. Members perform at concerts and football games, often in combination with the Concert Band. Auditions determine which cadet students receive positions in the Concert organization.

The Intermediate Orchestra is open to students who have some experience in playing a stringed instrument. Members develop technique and prepare for the Concert Orchestra. Those students who have the highest standards of performance are eligible to join the concert group, which appears at several concerts, accompanies the all-school musical, and plays at the Commencement Sermon. In class the students learn to play and appreciate a wide variety of music.

Aviation Club

Some clubs at Maine have an academic emphasis. Their purpose is to extend the educational opportunities and to let students explore certain fields in depth.

Among these are the career oriented clubs—Future Teachers' Club, Girls' Business Club, and Home Economics Club. Future Teachers' Club, newly formed, is open to all students interested in learning about the teaching field. Club members tutor, go on field trips and have guest speakers. Girls' Business Club tries to develop in its members a proper business attitude. Throughout the year the club has many interesting speakers. Membership is open to any sophomore, junior, or senior girl.

Several clubs explore languages—German Club, Le Cercle Francais, and Spanish Club. All promote an interest in the culture, ideas, and people of its country. German Club conducts trips to the Museum of Science and Industry and dines in a German restaurant at Christmas. The only membership requirement is that of interest. Le Cercle Francais sponsors a Mardi Gras and trips to various colleges to see plays. Members must have taken or are presently taking French. Spanish Club shows slides and movies of past trips to Spain and Puerto Rico and sponsors experiments in Spanish cooking.

Science Club is open to anyone interested in studying a certain science field in depth. Members work during the year on the field of their choice.

Math Club is open to anyone interested in exploring the interesting side of math only touched upon in the classroom. Math Club has a charter of Mu Alpha Theta, the National High School and Junior College Math Club, and for the first time this year was represented in the Homecoming Parade.

Two clubs are connected to the Social Science Department —Tri-S and Strategy and Tactics Club. Tri-S is devoted to the idea that students should develop a better understanding of society and the problems it faces today. The club hosts Peace Corps speakers, sponsors Care Drives, discusses contemporary problems, takes field trips, and sponsors Internation Simulation.

There are also honorary societies which honor outstanding achievement in certain academic areas. Historical Society bases its membership requirement on a passing score on a test of general knowledge of U.S. history. Sigma Chi Sigma is open to students who are able to read 500 words per minute with at least 90 percent comprehension and vocabulary. Members tutor, administer tests, and visit convalescent homes to read to the residents. Quill and Scroll honors qualified high school journalists. Members must be a junior or senior in the upper third of their class, have had two years on the **Legend** staff or 100 inches printed in the **Westerner** and have sponsor recommendation. National Honor Society membership is based upon high character, scholastic standing, and contributions to the school in leadership and service. Members plan a tutoring service.

Front Row: Lynne Broberg, Susan Paul. **Second Row:** Gail Wodzin, Yvonne McNulty, Karen McNally. **Back Row:** Marty Courtois, Mary Hattenhauer, Eric Turner.

The communications clubs offer tremendous opportunities and diverse activities throughout the school year and because of this the clubs are continually finding new and enthusiastic members.

The only membership requirement for Folk Sounds is an interest in singing and music. Members promote an interest in singing through informal sessions. The club occasionally visits "It's here."

Contest Speakers Club teaches members good speech habits through active contest competitions. Competitors continually strive for success in local, district, sectional, and state competitions.

Two clubs help insure success for Maine West productions—Stagecrafters and Lighting Crew. Members are required to have their sponsor's approval. Members in Lighting Crew augment productions by adding special effects and various kinds of lighting. Membership is based upon proficiency in the use of the equipment.

Two honorary societies recognize outstanding orators—National Forensic League and National Thespian Society. National Forensic League promotes and honors excellence in public speaking. Members must have twenty-five points which are earned through participation in debate and speech events. The objective of the National Thespian Society is to encourage high school students in the dramatic arts. Membership is limited to those who have acquired ten points. Points are earned by acting or working behind the scenes in productions.

Some clubs provide services for the school.

Key Club International is open to all boys who are willing to participate in service projects for Maine West and the Des Plaines community. The club promotes service projects and develops leadership within its members. Members operate the "Path," manage the parking at school events, and supervise the registration of student driven cars. They also attend monthly interclub meetings and annual district conventions.

Four clubs assist in offices—Attendance Office Assistants, Deans' Office Assistants, Nurses' Helpers, and Audio-Visual. Members volunteer to work during their study periods.

The sports clubs provide students with the opportunity to compete and enjoy sports.

Aquiana broadens and develops interest in synchronized swimming. Members try out each year after the annual swim show.

Boys' Junior and Senior Leaders provide boys with an opportunity for leadership. Members are nominated during their sophomore year by their physical education teachers.

Membership in Orchesis, the modern dance club, is based upon the performance in a routine with music. The club sponsors annual cookie and taffy apple sales, holds workshops, attends different recitals, and produces a spring show.

Pegasus encourages students in the sport of horseback riding. Members must have twenty-four hour accident insurance. The club attends the International Horse Show, enjoys hayrides, and sponsors monthly stable shows.

Ski Club promotes skiing as both a recreational sport and physical fitness activity and provides students with an opportunity to ski at reduced rates. Members must have interest in skiing and twenty-four hour accident insurance. The club sees films and demonstrations on good skiing technique and travels to local ski areas throughout the season.

Co-ed Bowling Club fosters interest in bowling through a recreational atmosphere. The club holds tournaments within the membership and hosts scotch doubles with the faculty. The year's activities are concluded with a trophy banquet.

Girls' Athletic Association promotes interest and provides opportunities for recreational and intramural activities for all girls at Maine. The club provides the concessions at football games, sponsors interschool activities, hosts Mother-Daughter Playnites, and sponsors an awards dessert.

M-Club recognizes boys who have lettered in a sport. The club encourages good sportsmanship, creates a better relationship between athletes, promotes self initiative, strengthens relations with neighboring schools, and increases student interest and school spirit. Members hold annual M-Club-Faculty games, serve as cafeteria monitors, and plan an M-Club dance.

Pep Club fosters and promotes school spirit for athletic events, speech competitions, and other school functions. The club holds pep rallies, after dances, and an annual spring dance. Members work on newsletters, banners, and bulletin boards. Membership is open to all students.

Nervous candidates await a moment of truth.

Homecoming '68, held on Saturday, October 5, proved to be one of our finest.

Homecoming followed the traditional form of a parade on Saturday morning, two games in the afternoon, and a dance at night. The results of the parade, which was combined with the Sesquicentennial parade, definitely did not follow form. The Freshman float took first place! The Junior float took second, and the usually victorious Seniors came in third. The game against Deerfield was very close, 13-14, our nearest victory thus far in the season.

Donna Ellwanger made a radiant Homecoming queen. She reigned over the Homecoming Dance on Saturday night.

The Cheerleaders and Pom-Pon Squad select girls representing all four classes at Maine West. Their primary function is to promote spirit for all school events, but they also serve as representatives of Maine in their travels throughout the area. Every year the varsity Cheerleaders attend a clinic camp to exchange ideas and to become familiar with girls from other schools not only from the Chicago area but from schools throughout the state. The Pom-Pon Squad performs at football and basketball games and participates in pep assemblies during the year in their effort to ignite enthusiasm for school sponsored events.

Maine West's 1968-69 varsity Cross Country Team followed past Maine tradition by capturing first place in the CSL. Maine suffered only one setback this season and that was at the hands of non-league foe Prospect. Once again Maine had an outstanding runner, Bob Glitz, who represented Maine in the State Meet in Champaign. The outlook for next season is bright with many returning lettermen and a group of sophomores that took second place in conference on the sophomore level.

Coaches: Gaston Freeman, Ross Blake.

Coach Gaston Freeman's Varsity Warrior cagers finished their conference season with a 3-11 conference record and a season mark of 6-13 through the first game of the Regionals. Next year's Varsity team should be much improved over this year's, with help from Coach Ross Blake's Junior Varsity and Coach Eugene Zuccarini's conference winning Sophomore Team. Even though the Warriors' record is not impressive, they did upset conference power Deerfield and were the victims of four games which were lost by less than ten points.

Maine West's Varsity Wrestlers, under the direction of Coach Dick Carlini, finished a fine season with a 4-3 conference record and a few additional highlights. Maine West won the Forest View Quadrangular during the season, took second place in the district meet, which featured tough wrestling schools from throughout the area, and sent three wrestlers to the sectionals at Leyden. Senior Jim Morrison went the whole dual meet schedule undefeated for the Warriors. Next year's Wrestling Squad should be tough with six returning lettermen and a very experienced Junior Varsity Squad. Coach Carlini will be able to draw heavily from the fine Sophomore and Freshman Squads coached by Mr. Suffield and Mr. Barringer.

Coach Sydney Drain's Varsity Gymnasts overcame a very difficult schedule and some key injuries to greatly improve themselves over last year's team. This year's gymnasts competed with state champion Arlington and other state powers such as Prospect, Waukegan, Niles North, and Niles West in one of the toughest schedules in the area. Despite the stiff competition they faced, the Warriors still rated in the top twenty teams in the state in average points per meet. Senior Rich Didier brought much recognition to Maine when he took first place in the all-around competition in the conference gymnastics meet. Next season's squad should be even more improved over this year's team with the return of seven gymnasts who saw much action with the Varsity Squad this season.

This year, as in past years, Maine West has offered an excellent intramural program. This year's programs take in all of the sports that are offered on an intrascholastic basis. Much of the credit for the fine program can be attributed to the efforts of Mr. Hotchkiss, who has been in charge of the intramurals at Maine West since it opened.

Sophomores Compile 14-3 Season Record

Varsity Baseball

The 1967-68 Varsity Baseball Warriors under the direction of Coach Al Carstens turned in an 8-9 season record in their first year in the newly organized Central Suburban League. The new league puts Maine West into competition with other area baseball powers: Niles West, Niles North, Maine South, Glenbrook North, Deerfield, and Glenbrook South. Despite the Warriors 8-9 record, they lost five games by two runs or less. The Warriors placed two men on the CSL All-Conference Team. They were Bob Banger and Harry Tistle. The outlook for the 1968-69 varsity season looked bright due to the fact that the Sophomore Warriors compiled a 14-3 season record and placed second in Conference behind league power Niles West. Coach Carstens intended to rely heavily on these sophomores and on the nine seniors and one junior who gained much playing experience on last year's Varsity squad. The 1967-68 season was the first season in the last 11 years that a Maine team under Coach Carstens did not win Conference. The 1968-69 squad was to try to start a new string of championships.

Golfers Find Better Competition in the CSL

Front Row: Ed Duchaj, Greg Essig, Tom Navratil, Jim Sander, Bob Edwards, Dave Grutzius. **Back Row:** Jim Reed, Roger Sorenson, Dave Krowka, Scott Siegfort, Ken Helfers, Tom Redmond, Coach Zuccarini.

The 1967-68 Varsity Golf Team's record does not seem impressive at first glance, but it is important to realize that they lost four of these meets by four strokes or less. Nine members of the squad have graduated, and this year's squad had only three experienced varsity golfers.

Frosh-Soph

Front Row: Bruce Hilner, Bryan Coussens, Bob Shirk, Gary Navratil, Gary Waecker, Eric Dahl. **Second Row:** Coach Fulk, Jim Krumpolz, Grant Pick, Mark Courtois, Jim Graves, Bob Davis, Mike Kozel, Gary Shields. **Back Row:** Ned Peterson, Randy Everett, Jim McCarthy, Randy Getsla, Bob Olson, Dennis Mattini, Gary Mack, Tim Goertz.

No, this isn't a course in dishwashing.

There are many ways to use a study hall.

Margi,

Well just think... you made it through one year of "Big Tough Maine West", already. I only wish I could of been there with you & Michelle & the rest of the kids. But wait til next year! Luckily, it might be as great as this one. Don't worry about Jeff. You'll get him back - it takes all summer - you'll get him! You two were made for each other. Now that we know it tell Jeff! No - he'll find out for himself. Just give him a little time & everything will work out. I know it's hard 'cause I went through it too; but look how great it was for me to get Mike back & it will be just as great for you to get Jeff back. And you've still got all summer (if only I could say that) & all of next year. So don't worry, ok!? Thanks for being so cheerful Friday. It would of been much worse I think if I would of had to face it alone. Maybe someday I'll get over Mike - it won't be too soon - but what can you expect after [redacted] eleven months. I know you understand 'cause you haven't given up on Jeff yet & won't either. Thank God Margi that you still have time & that he isn't moving. You don't know how lucky you really are. You've still got a good chance - so don't waste it. You'll get Jeff, I know it. I only I could have another chance... Oh well what he'd done is done —
Have a great summer with me & Michelle - HA! HA!
See ya next year at

Love ya &
(I still love
Mike too)
Debbie

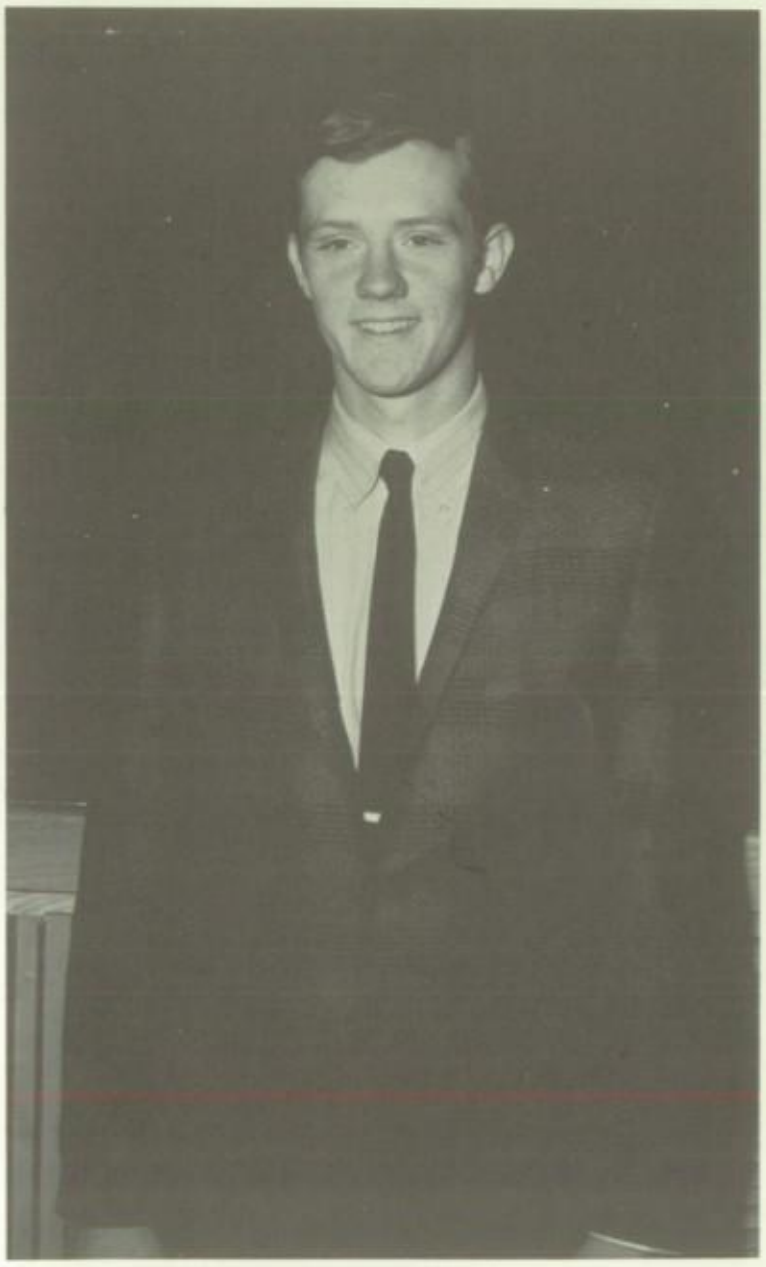
National Merit Scholars Show Academic Prowess

Four Maine West Seniors were chosen this year as National Merit semi-finalists. These outstanding students were Bill Adair, Ann Blonston, Jim Birchfield, and Kathy Kinney. The purposes of the National Merit Program are to identify students of unusual intellectual ability and promise, to honor these students publicly, to help as many of them as possible attend the college of their choice, and to find a means for education and business to financially assist them. These students brought honor to Maine West in 1969 by their achievement.

Barb, Randy Capture SAR-DAR Awards



Barbara Bednarz and Randy Hann were this year's winners of the Good Citizen Awards, given annually by the Sons and Daughters of the American Revolution. The awards were given on the basis of leadership, dependability, service, and patriotism. Randy has been active in sports events, Brotherhood Society, National Honor Society, and Student Council, of which he was president in his senior year. Barb was a gym leader, an honor roll student, a member of Brotherhood Society, Student Council, and the president of her Junior Class. Barb and Randy were selected by the faculty from a group of six students nominated by the Senior Class for the awards.

Dave Earns All-Conference Title

Dave Zulawswki was the only Maine West boy to be chosen a 1969 All-Conference Player. Dave played linebacker on the Varsity Football Team and was the smallest player elected to this year's All-Conference Team. Among Dave's other activities were baseball, wrestling, M-Club, Student Council, and Brotherhood Society. Congratulations to a great sportsman and honor roll student.

Musical Talent Thrives at Maine

Nine Maine West students participated in the IMEA All-State Music Convention held January 24 and 25 in Peoria, Illinois. Preliminary auditions were held in November in Aurora, and these students qualified to participate in the state-wide competition. Maine West can be proud of these fine musicians.

Front Row: Diane Wille, Jan Pendergrass, Nancy Schupp. **Second Row:** Gail Hoss, Steve Smith, Kurt Meyer. **Back Row:** Nancy Davis, Bruce Nelson, Sharon Brownell.

Steve Places First in State

While in Peoria, Steve Smith was selected as the best high school French horn player in the state. Steve's musical talent is exceptional and will continue to bring him honor.

Brotherhood Society Elects New Members

Front Row: Jenny Jobst, JoAnn Pabich, Jim Webster, President, Debbie Lusk, Vickie Coash, Jan Olenicki, Kathy Jordan. **Second Row:** JoDee Rowells, Betsy Huxmann, Sue Black, Bob Aulert, Nancy Hower, Vera Binotti, Donna DeFranco, Mr. Gary. **Third Row:** Debbie Wojak, Willie Anderson, Roxy Doremus, Greg Wilkins, Hans Wahl, Ken Steinken. **Back Row:** Frank Mitchell, Dave Arnswald, Chuck Sherman, Rick Rossi, Steve Baenziger, Gary Williams, Joe Szabo.

The Maine West Brotherhood Society elected twenty-four new members during National Brotherhood Week. These members were elected by their respective classes on the basis of friendliness, brotherhood, and good will. Assemblies were held to announce the new members and a program was put on by the "Up With People" group from the Chicagoland area.

Carla Wins Home Economics Award

Carla Battaglia, senior Home Economics student, received the Betty Crocker Search for the Homemaker of Tomorrow Award. Carla was subjected to a written exam that covered all aspects of homemaking and was declared the winner from Maine West.

Donna Achieves Distinction in Writing

Donna Ellwanger became the third student in Maine West's history to be named runner-up in the annual Achievement Awards Competition of the National Council of Teachers of English. Donna was one of 800 finalists chosen from 8,000 English students representing schools from 50 states and American Prep schools abroad. She wrote an essay on the death of her grandfather, titled, "On Dying." There was no monetary prize, but winners of this award are considered first for financial aid and have the chance to attend the college of their choice. Maine West can be proud of Donna's writing potential.

Speech Team Excels in Competition

Front Row: Sandy Salerno, Linda Naslund, Toni Hein, Diane Gatsis, Diane Glanke. **Second Row:** Dave Winn, Diane Franzen, Diane Clarke, Jim Hoekstra, Cheri Wittbold. **Back Row:** Connie Grimes, Jill Fedder, David Congalton, Robert Glitz, Chris Huestis.

The 1969 Maine West Speech Team competed in various local events throughout the year. Almost the entire team has received some type of award this year. Their greatest honor was receiving the second team trophy at the speech tournament at Maine West. Each student deserves recognition for his speech ability.

Toni Hein and Cheri Wittbold, two members of the Speech Team, received special honors. Toni's speech on suicide placed second in original oration. Cheri placed third in comedy reading. Her humorous reading was "Once Upon a Mattress."

All good things must come to an end.

In Conclusion

Another year filled with fun and hard work is over, but we of the **Legend** staff sincerely hope that we have preserved some of the most memorable moments of high school life through this book.

Many thanks are in order to Mr. George Walker, sponsor; Mr. Bernie Callahan, representative of Taylor Publishing Company; and Walinger Studio. We would also like to thank Bob Therriault for many of the photographs contained in this yearbook.

Although many have found fault with Maine West at times, everybody owes it a word of thanks for pointing us all in the right direction.

Margi,
Your a real nice girl stay that way. It sure was fun in gym this year. Well, be good this summer. And good luck next year.

Reggie Allegretti

Margie,
It's been fun knowing you, you're a real sweet kid. good luck in soph. year
AND WITH JEFF.

Sheri Monroe

Margi
Have fun with Jeff this summer. Really hope ya get him back.

R.M.A.
Connie

Dear Margi-
It sure has been neat knowing you this year especially when nobody wanted to take out those raggy passes.

May

Margie
I'm glad I met you this year. I am also grateful that I was of some help with Jeffo. If you ever want to talk to anyone you can trust me to do my best to help you. If you ever need any help from drunks just call me. I wouldn't want a real nice Girl like you to get hurt. Have fun over the Summer and I hope you will get Jeff back cause you love him so much.

May the happiness of joy & peace stay with you always.

Bill Head

Marg.
To one of my best friends
Had a lot of fun this past
year with you getting
in trouble together and
being late for roads
to bad we never had
enough courage to
actually ditch school
Thanks for getting me
passes from English.
Hope to continue having
fun this summer
with you and I wish
you the best of luck
with Jeff. And stop
working. See ya in the
summer. Love ya.
Michelle

Julie Thurs

Marg. Been fun having
Dtb. to bad we
never ditched
school in more classes
together. Hope I see you
next year. Good luck in Math,
you'll be super together.
Luck
Love
Julie

Marge
I still remember you at the football game
with Ed and remember you were going to
fix me up with Debbie. I remember
I'm writing this red to match
my cheeks. It's been alot of
fun I'll see with and
next homeroom next
Jim
year.

I sat with you all this year in the study. I can't say I didn't have anything nice to look at

Andy

Marge
It's been fun
knowing ya'
Have fun this
summer
Stan

Dear Marge,
Have fun this
summer. It's been
nice knowing ya.
See ya next Year.
